THE DIVINE LIFE

The Pioneer Magazine of the Sixth Race

Whose Invisible Editor is the Conqueror on the white horse—the new Initiate in his solar body.

The Conqueror—to him I shall award to eat (the fruit) of the tree of life which is in the middle of the Garden of the God.

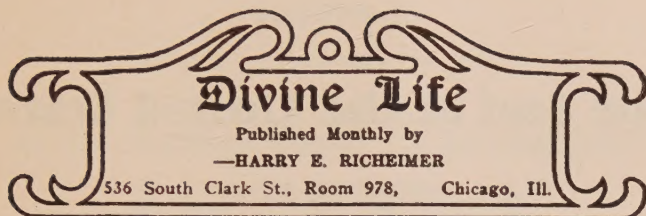

The award to the **Conqueror**, is the Eternal Memory: he shall eat the fruit of the tree of life (the fruitage of the life cycle) in the God's own abiding place, the mystical paradise or state of ineffable bliss.

The award to the **Conqueror** is conscious Immortality; he is to wear the crown of life, and nothing that originates in the soul-consciousness shall pass into the oblivion of the second death.

The Conqueror—to him I shall award to eat a share of the hidden manna and I shall award to him a white voting-pebble, and on the voting pebble (will be) a new name engraved, which no one knows but he who receives it.

The Conqueror—he shall be clothed in white garments, and I shall not at all erase his name from the book of life, but I shall acknowledge his name before my Father and before his Divinities.

The Conqueror shall not at all be punished by the second death. He who has an ear to hear, let him hear.

DOWN WITH ROOSEVELT!
TO ARMS! TO ARMS! TO SAVE THE
REPUBLIC!
STRIKE BEFORE IT IS TOO LATE!
STOP ROOSEVELT!

HE time has arrived to stop this maniac in the White House from wrecking our Republic. He is spending untold millions which even our children cannot well repay; he is defeating our representative form of Government; he is giving America a setback that 10,000 years will never alleviate; he is destroying Constitutional Liberty, and, if not stopped, soon a total collapse of our Government will necessitate England, France, Italy and Russia coming over to take charge, and the old League of Nations in full sway, America as a Republic will be no more.

This insane man in the White House should be impeached at once, and if Congress and the Senate have relinquished their duties and disregarded the authority imposed in them by the People, then the People themselves should uprising, revolt, throw off the yoke of the

Democratic Demon and declare, "NO MORE RULE OF THE OLD PARTIES SHALL EXIST IN AMERICA, FOR THE PEOPLE HAVE AT LAST TAKEN CHARGE OF THEIR OWN GOVERNMENT," and Roosevelt placed in chains or forced to leave the Country, where he belongs.

Any man who has no regard for the moral status of the Nation has no right to remain for a minute in office. Witness the debauching spectacle of serving drinks in the White House! His big-toothed sister is about as weak-minded as her husband or such skulduddery would not be permitted to continue. What a grand example this pseudo Great Man is setting for the rising generation of young Americans!

Oh, I say, look at that face. There is, indeed, something wrong with him. Call in the alienists. His paralytic condition has affected his brain. He's not sane, he's not sound, else he wouldn't act as he has acted since his induction into office March 4th. A Nero would not be half as out of place as the paralytic degenerate who thinks only of himself and lets the Nation get Prosperity while he robs it, seduces it, ruins it, prostitutes it, and has the nerve, gall and effrontery to call it Prosperity! So is there Prosperity in Hell, where Satan confiscates Souls for the weaknesses they have proven victims; for the prizes they have sought without due concern as to the penalty.

Roosevelt Is Insane!

Insane as a rat, and the People should unseat him before his Brain Trust will have us on all fours eating sawdust and alcohol, for that is about all there will be left by the time he springs any more Recovery Acts. And what is holding him up so long? The Churches, the Military and Police Power, and, sad to say, their Representatives, the Underworld.

But We Can Defeat Them!

Righteousness never yet was weak when her turn arrives to clean the Nation, and the Nation needs a cleaning as never before. The Romans in power will be the first ones to protest, so make it an anti-Catholic fight first, an anti-Jewish fight second, and an anti-European fight third. No more war overseas for our boys, no more Bankers to ruin the Nation after Uncle Sam owns them all, no more Wall Street to gamble on the fruits of the labor of others, no more Churches to debauch the Nation, bribe our lawmakers, judges and juries, and add to the Carnival of Crime by granting immunity to those who give her gold, prestige power in return.

The Revolution Is Here!

Down With Roosevelt and Up With the Star-Spangled Banner of the Heavens. The Spiritual Depression must have a Spiritual awakening, a renewal of our vows to our Fellowman that henceforth we shall serve Him as men, and let those God dodos of the Churches earn their own living through hard work.

The Government is Rotten to the Core. The President sits in session whilst Congress and the Senate concur in all his findings. WE HAVE A KING now and no more a President! Down With the King, for he cannot live long in America with head and shoulders intact.

DOWN WITH ROOSEVELT!

A NEW LINCOLN

THE WORLD has now come to an end, and now to the Saviour Station brought into being. Lincoln approached the heights of the Universal as no other American outside George Washington. Lincoln's fame attached to his Gettysburg speech only

foreshadows what another American pre-eminent in spiritual evolution and insight will announce shortly. The prediction that a **NEW BIRTH OF FREEDOM** shall arise is ensconced in this New Born American, this New Christ Man come to birth in a future aspirant for Presidential honors. No man can guide the Ship of State henceforth who has not this Universal element in him developed even greater than Lincoln. For with the sword Lincoln slew his opponents, a psychic giant still under the force of arms, but alone with the power of the **WORD** shall this New Student of Universal affairs subdue the psychic element, the emotional crowd of **ROME**, and bring peace and order and harmony out of chaos and confusion and disintegration.

That Government of the People, by the People and for the People is only comprehensive in the evolutionary state, the pronounced spiritual achievement of **ONE MAN**, for the World needs a New Man of the People, one who has subdued the lower elements in his nature and rules by mere dint of spiritual authority. Soul expression is now coming into being; by that I mean, when any one man reaches the heights of Initiation enough so to be entered in the Book of Immortal Life the lower elements of the World immediately try to upset it and either do away with their new little David or so pollute his character that the People regard him as the anti-Christ.

Lincoln's whole life depicts the rise of the lower into the Higher Self. With what eagerness the whole World worships every word he ever uttered; with what grim humor they try to make a **GOD** out of Lincoln comparable only to Jesus Christ; with what alacrity the Church element try to minimize, belittle, lower the status

of Abraham Lincoln, who was merely a Nationalist voicing the immediate needs of the People and not a Master in the flesh who formed a redoubtable pillar of the Nation in its invincible sweep to Spiritual Progress and Enlightenment that All Men Are Created for ONE SPIRITUAL MAN—ETERNAL MAN IN THE HEAVENS.

The World has been breathlessly awaiting a New Messenger of Spiritual Light, a Born American, ready to shout the Doom of Ecclesiasticism and the Restoration of a purely Spiritual Government here on Earth. Impossible, I hear you say, the Established Order shall be maintained of "not too good, and not too bad," if all progressives have to be shot at dawn. Well, all I say is, Watch the Republic's Ship of State move forward shortly; never since Lincoln's time shall the Hand of God in human affairs become so apparent and discernible.

For a KING OF LIGHT has arisen in the bosom of our American Republic, A KING OF FREEDOM AND LIBERTY, a twin soul to Abraham and George, who forms the triple alliance between matter and Spirit to save America and the Whole World from the tricks, machinations and craftiness of Priest and Preacher alike, who have been the main instigators of Hell, War and Confusion throughout the Earth under the guise of Saving it for Christianity to exploit.

I bring you Peace and Joy and Love and Happiness in the Eternal Message. Once ROME is conquered, the Protestant element shall vanish from off the face of Mother Earth, for ROME is the Mother of the brat who keeps us in chains to the slave-rule of Wealth and Religion, and this New Lincoln, who has renounced both, shall set an example to the rising generation of young Americans that to think for one's self, stand alone, will solve the problems of the Universe; for GOD is allied against them all

who do not depend upon Him alone (the Christ or Higher Self within), and who worship numbers, organizations, forms and combinations of Wealth seeking their Kingdom of Heaven outside themselves.

SELF CONTROL

YOU do not know, cannot control this animal lower self until the consciousness of the Higher Self is awakened in you. How often we feel inclined to throw the whole thing overboard as an utter impossibility—I mean this business of self-control. Control of the thinking powers, control of thought even to the recognition of just what lies behind you, giving life and animation to this gross physical form. But, I say, gentlemen, It can be done. It is simply a growth, a process of overcoming or better *becoming*, at-one with that Divine portion of yourself, that Immortal within, that constellation of the Heavens whose inner Doors of Gold cannot be shaken until a MAN appears who is strong enough through WILL POWER, force of character and complete purity and virtue, as a little child seeks its Mother when in trouble. I repeat, you are able to stand behind this self, watch over its thoughts as a great panorama in a cinema. That your Oneness only manifests to you when you become immune to the desires of the body, and indifferent to the cyclorama of thought-forms called the World.

First subdue the appetite of tasting; second of seeing; third of hearing; fourth of feeling and sensation; fifth of personal being. I say, the whole door of physical life will open its portals to you if you become one-pointed in your New Mode of Living.

No meat, no beer or liquor, no wine, no women, no song; all the propitious shades which catch the average man and hold him in its net. Once a man becomes virtuous as a babe, his true Manhood appears; the Divine Woman within him comes to the surface; the GOD MAN WOMAN creator of this physical dream.

Now again to this self-control. Watch rhythm, everything works from, swings with the action of thought eternal, and you shall become a Conqueror of the Universe. Watch opposites. If cold, swing hot. If debased, swing garrulous and hilarious. If cast down, think of things perfect, sweet and Divine. Watch the click of the mind's vibration. It is a childish mind at best and needs constant attention.

Constantly all the thoughts of your past life go swirling through your brain. I say, shut them out completely and live in the present, the Eternal where the personal self dwells not. There is a Higher Man in you overshadowing you constantly, trying to bring you up to the Immortal standards, but he cannot reach you until and unless you capitulate the lower edifice, move out and live in the higher story above your desires. Desire for old faces, old haunts, old habits and customs. You must become a perfect sacrifice for him to work through. It is, nevertheless, you who are to play the real part on the stage of Life's Drama, the Higher Self within, the curtain once risen reveals unto you a New World of your own creation. Henceforth all thoughts and things swing in a Universal Convocation of Rhythmic Being and you can travel in Foreign Countries, occupy every body in the Universe and still remain separate and alone in your own Divine denouement.

A paradox, I hear you say. Yea, a paradox, indeed. Begin today denying your appetites, passions and crav-

ings. Rise above your personal self into the Mansion of the Skies brought down to Earth; the only true reality where the existence of the form World dissolves itself into your cygnetic being.

THE CHURCH OF ROME IN AMERICAN POLITICS

THOSE who disturb the wasp's nest of Roman Catholic practices, which is miscalled Religion, will often experience their sting—the sting of Occultism. One who investigates or exposes ROME may sometimes, if off mental guard, feel unusual depression, sudden attacks of illness, great sorrow, or may become a victim of accident or general bad luck—or maybe killed outright. This seems strange. Is it coincidence, or is there a dark murderous power in the heart of the Roman Beast-on-the-Tiber? Just as the ancient Egyptian priests sent curses into the mental atmosphere, and had them written on the inside of the coffins of their royal dead, as, for instance, in the matter of the King Tut-ankhamen, where the written curse invoked death upon whomsoever should desecrate the tomb, however remote the date—so do the modern Romish practitioners of Left-hand Magic impress upon the sensitive recording plate of the lower mind all manner of curses, which invoke misfortune, sorrow, sickness, accident, or death upon all persons who at any time shall undertake to oppose, expose, hurt or curb the activities of the Holy Roman Snake.

It seems strange that death came rather quickly to all those who were connected with the excavation of King Tut's coffin. Was it coincidence? Did it just happen that way? We don't know, and it cannot be proved, nor can it be really disproved. Was it the mental poison of a

curse, lying dormant psychically for thousands of years, ready to instantly pounce upon the first desecrator of the burying-place?

Is it just coincidence, just a happening, that many of our wisest, noblest fighters against the Roman Menace have been suddenly cut down in the prime of life, in the moment of a victory, at the turning point of a worthy warfare in the field of political, religious, scientific, or economic endeavor, maybe stricken suddenly by a disease, incapacitated by an accident, robbed, impoverished, or deserted by friends and relatives, or openly attacked, maybe made the target for the assassin's bullet?

Isn't it just possible, not improbable, that the Romish Black Art practitioners working night and day, especially at night—do continually send their mental shafts with deadly intent upon those brave opposers on the arena of earth who cannot be openly attacked, injured or killed by the ordinary outward methods? Frank and honest Egyptians of Old! They made a clear distinction between the Black Art and the White, the will-power exerted for good and the will-power exerted for the furtherance of evil! But these cunning re-vampers and re-modelers of old-time witchcraft and heathen gods, the Roman Catholic popes, cardinals and clergy, use their concentrated will-power, their hideous mental suggestion, under the guise of prayer to God, to a Virgin, to Saints—as if Almighty Good could hear or recognize the appeals of man-and-soul Destroyers!

But, thanks to the public schools and universities and other enlightened agencies, even the dumbest intellect can today gather a fund of knowledge concerning psychology, telepathy, hypnotism and the nature of the human mind. Surely, a glint of the truth should come to any thinking mind, that the Romish Clergy—and others—use the Law

of Telepathy in a Divinely illegitimate manner, namely, carrying out of crimes by means of the power of suggestion.

It is not to be wondered at that the Roman Priesthood attack our Public Schools, trying to cripple them, weaken them, close them, divert funds for educational purposes away from their proper uses, etc., for our American Educational System is such that with its courses on psychology, history, economics, sociology, philosophy and all the sciences, languages, arts, etc., no student who earnestly thinks, or seeks light, can long remain a Catholic, or even tolerate their teachings, redolent with the atmosphere of the Dark Ages!

Learning and Light are the enemies of Dark Rome, it spells "EXIT" TO HER, and well she knows it! Hence every effort is put forward by her to dam up the course of education or interfere with its mechanism and perfect operation. ROME cares not that we cannot read nor write, but she would want us to offer prayers to her Popes and Saints, and spend plenty of money buying ourselves out of Her own Purgatory. The story goes that a Lutheran minister once admired the costly and beautiful church edifice of his neighbor, a Catholic priest, and he expressed regret that he could not build an equally beautiful Lutheran Church, whereat the priest said to him the reason was that he (the Lutheran minister) had no Purgatory! Both equally commercial. The Protestants no longer protest, when they ought to at least go back to the form of early Christianity, if no more!

The reason that the hypnotic Will of Rome has not destroyed the World centuries ago or killed off Rome's noble opposers even more than they have done, is that the very nature of Rome's strength—brute-force and occultism—is also her weakness, and contains the seeds of

her own destruction. For Rome's Will Power is attempting to go against the Will of Infinite Wisdom, the Law of Eternal Progress, the Law of Evolution out of illusion flesh into Spirit, out of darkness and animality into everlasting spiritual selfhood—and therefore ROME must fall, most ignominiously; must die completely, and, in fact, is a dead carcass already, there being only a pseudo-life in the Beast.

Popes and priests, some of them know in their hearts, they must know, that the nature of Rome will be her destruction, but they cannot give up their love of wicked ease, love of illegitimate control over Mankind, love and practice of hypnotic suggestion, guised as prayer. They are like morphine addicts, they cannot give up their Drug, and will go to great lengths to keep it! But these Dispensers of Sleeping Potions will have something to answer for when the American Public is at last effectively aroused to some definite action, for then the secret practices will be taken away from Catholics, and they will be lucky to escape with their miserable lives! Fortunately for the World, and especially for America at this turning point of Destiny, the secret, loathesome, organized evil-thinking of priestcraft—which powers, by the way, are used by other religious and in many walks of life—is too great a strain for the human mind, it being Divinely Unnatural, and has its fruitage in the breakdown of physical and nervous organism, is productive of idiocy, insanity, stupidity, or thwarted mental faculties, or a seared conscience. No telling how Humanity would have been wrecked long ere this, if the punishment of the misuse of mental faculties were not indeed complete and terrific.

Anyone understanding the power of right and kind and good thinking can by thinking strongly along the lines of Universal Law overthrow and destroy organized

Romish evil thought-power, and be forever armed, protected, and safe. And ROME must by her very nature destroy herself! And it will be more quickly done through the avenues of public education and public agitation.

It is significant of the awakening of public opinion and a symptom of public recognition of psychic Danger that in California laws have been passed against various forms of occult practice, such as hypnotism, spiritism, fortune-telling, palmistry, etc. Even human law has now reached forth its hand to strangle these crimes committed in secret and behind closed doors. The laws should also reach to the doors of ROME and beyond—that ADEPT in all that is Vile and Black and Smutty! Their strongholds should be shaken to the very ground. Enough laws do not yet reach out for the Popish Throat!

It is very important for the peace and progress of America that Catholics be kept out of important offices. This is what they are ever seeking. The National Association of Attorneys has a Catholic for its head! Not good for law or lawyers, that, and the Catholics are in high glee every time a Roman Slave gets an important position in city, state, and Nation. And too many publications have Catholic owners and editors and employees.

Now that Roosevelt has stated that he will assume the powers of a DICTATOR—the war-power—the Catholics are doubtless hopeful of getting in some good strokes for ROME. The New President has given a sop to a Roman Catholic in the Cabinet, having given the job of Postmaster General to a Roman. This Postmaster General's previous occupation is given as being a political leader. Bad business, that, of giving the Postmaster Generalship of all things to a Roman Catholic! How the Pope will get busy in the ear of this faithful servant, we can guess! Maybe barring from the mails anything not in sym-

pathy with Roman Catholic objects and aims! Isn't it possible that statesmen still think, still fool themselves, that Catholicism is simply a religion, simply a harmless medley of creeds and ceremonies? Is it possible that they are so ignorant that they think it is only a Church, and not a menacing political Force? Time they were shocked then, and time they were shocked rudely!

CLEVER MANEUVERING

R LITVINOFF, alias Finkelstein, of Russia, the plenipotentiary par excellence who effected the recent deal of bringing the Soviet Union into active recognition by the U. S. Government, brought America more than big business, prosperity and peace, as our pseudo-President at Washington, D. C., would have us believe. For the whole deal was effected by Morgan & Co., as the fiscal agent for the British Government, because Great Britain, fearful of Japan's aggressive movement in the Far East dividing China, must involve America as ever in her New War to Make the World Safe For The British Empire, and America and its toy President must quick do the bidding of King George and Morgan & Co., join hands with England and Russia, and form a united front and concordat against Japan in the spoliation of the Chinese Republic.

It's a game of Big Business now for the International Bankers and the Crowned Heads of Europe. It's a game of Big Business for Christianity, who wish to lay their fingers on the throat of the Far East in order to better convert them to Christian God-like principles. It's a game of Big Business now for the Pope of Rome, who is behind the whole scheme of bringing about a Holy War between the Orient and the Occident that the Cross and

Crucifix might dangle over the Planet in the name of the Great Exalted Pontiff of the Earth, the Vicar, Christ's Representative!

Oh, the Devil must roar and laugh at us for being inveigled into this new plot to wreck AMERICA in order to better suit the Churches, Industrialists and Banking Heads of Europe. I say the Devil must indeed roar and laugh at the fake Christianity that is never satisfied until it is shedding blood for territorial aggrandizement. Once the Far East awakens to her potential strength, God help Europe, and if Americans are wise, the first command of our pseudo-President to war on Japan or any other Oriental Country in the interests of the gold-mad crowd of Europe, they will refuse to be cannon fodder for the Pope and Royal heads of Europe, who now are beginning to see the handwriting on the wall:

Mene Mene Teckel Upharsin

Our material goose is cooked and God save our necks if Uncle Sam don't come across to help us, for like a great Atlantic tidal wave the yellow races and dark skins of Africa will overrun Europe and bring about the final reckoning of the Ecclesiastical powers of the Whole Earth who have held us all down too long to earth plane Hellish conditions.

If the American people are wise, when our pseudo-President declares War this time and asks our boys cross the seas again to sacrifice their precious lives to save Satanic Europe, they will simply tell him to Go To Hell himself and let the Preachers, Priests, Bankers and political heads meet Oriental Fire themselves and see how long War will prove an appetizing thing when they have to do the fighting instead of the meek and lowly, who have too long proved their meat, their tools and abject slaves.

America, Awake, the East loves you and Europe at heart awaits the day for your final destruction. Destroy your real enemies and not your long-forsaken friends of the Far Far East.

A BUDDHA HATH ARISEN, A NEW-BORN CHRIST HATH COME TO EARTH. Peace on Earth, good will to Men, but not until Rome is destroyed forevermore can Christ-like conditions come down to Earth, the cause of all the misery and abomination on this Planet.

PRIMITIVE CHICAGO

AND the Jewish newspaper, "The Chicago Herald and Examiner," had the nerve and audacity to print a picture of the murderer Alderman (God save the mark) Mathias J. (Paddy) Bauler, a law-maker of Chicago and proprietor of a Democratic hell-hole where beer, wine and liquor is dispensed with the inscription, "Gets His First Man," trying to make light of the shooting affair where two men lay near the point of death, the outcome of the uncontrolled frenzy and passion of a liquor-crazed brain of the estimable Alderman of Chicago; the man who had the honor and distinction of buying the first saloon license.

Clean Up the Nation!

Not only Chicago, with its Crown Prince of the Church, Cardinal Mundelein, sitting in the background running the whole show from lotteries, gambling joints, race tracks to bawdy houses, gin gimbals and crooked political hell-holes of the Bauler Inn type, but every large city in America infested by this political evil controlled by the Roman Catholic Princes of the Blood and granting immunity to those who belong to the Crooked Bunch of the Cross and

the Crucifix who propose to ruin America through the control of Rome, Rum and Rebellion.

I should think our Great Grand Exalted President of these United States, the Father of inebriate iniquity, would be proud of his Democratic friend, Paddy Mathias Bauler, the man who opened the first saloon in Chicago to Bring Back Prosperity. To our President the slayer of Anton Cermak was an abominable outrage deserving no less than capital punishment meted out in quick order by Florida authorities, but to the slayer of a policeman done up in Democratic political style some mode must be immediately devised to free the villain now out on \$5,000 bond and hush up the whole affair before the Nation gets on to Rome's plan of a drunken plot to capture the Nation through Mr. Roosevelt's Prosperity plan of saving it.

This Bauler affair ought to be sufficient to cause public sentiment to crystallize in ousting Franklin D. Roosevelt and his concordat of Roman Cardinals in America who are responsible for the return of the accursed saloon and the Jewish editor, who would sell his soul for a dollar and steal the dollar to boot, should be stopped publishing articles defending the whole affair and making light of crime when committed by one of the favorites of the Democratic party.

It seems Chicago has about gone to Hell completely, and it will take more than 100 World's Fairs to cover up the iniquity started by this Dirty Crook at Washington, D. C., who is as criminal as Bauler in opening the spigots that is to pauperize the People by drowning them in wine, liquor, sin and vulgarity. I repeat, the People of this Nation deserve nothing else than punishment from on High if they tolerate President Roosevelt one hour longer in the Presidential Chair. For He's no President, he's no Chief, he's no Ruler representative of the People. He is but a tool

and cat's paw of the Roman Catholic Hierarchy who are bent on Wrecking This American Republic for good and installing a political Dictator immediately under the thumb of this man on the Tiber—POPE PIUS!

The Jewish newspaper account goes on to say: "Bauler shot and severely wounded Policeman John Ahearn in a gun fight. Frank Wright, Chief Deputy Sheriff, likewise was seriously wounded by a bullet that police say was fired by Ahearn at Bauler.

"Even as Bauler was winning his freedom on a \$5,000 bond last night, war on the old-time saloon was declared in the Legislature at Springfield as a result of the shootings. *The old-time saloon will be legalized in Chicago and Illinois if Mayor Kelly and Governor Horner have their way.*"

The newspaper writer should have told the whole truth and written: The old-time saloon will be legalized in Chicago and Illinois if Cardinal Mundelein and his Roman Catholic Hierarchy throughout the United States, working in conjunction with the Jewish editor and Governor, have their way. But it should now be up to the People that the Jew-Jesuit conspiracy to wreck the Nation shall not have their own way, if means must be devised to put out of business every rum-drinking joint in the Nation with Carrie Nation hatchets and bomb-shells.

Again: "Ahearn, shot in the right side and with the bullet lodged near his spine, faces possible permanent paralysis (and death) if infection should develop, according to Dr. Frederick Retting. Chief Deputy Wright, in St. Joseph's Hospital, was wounded by a bullet that pierced the sac outside the left lung and plowed on through his body until it emerged, according to Dr. Franklin McCarthy.

"Bauler was named in the assault complaint signed by Lieut. Timothy Rohan, of the Hudson Avenue Station, after a full day of obvious attempts by everyone concerned (Mayor Kelly included) 'to cover up.' The Alderman refused, on the advice of counsel, to make a formal statement to the prosecutor. After the Alderman was booked, his attorney, John K. Murphy (all Irish, notice), went before Municipal Judge R. J. Dunne (another Irishman) and scheduled property at North Avenue owned by Bauler's sister-in-law, and valued at \$17,000.

"The Judge approved the schedule and the lawyer went back to Hudson Avenue Station, entered by the back door, and was allowed to slip out his client the same way."

Notice, boys, no mobs waiting to slay Bauler, hang him to a tree or burn his body. No troops ready to defend the villain from mobs outside, only an Irish lawyer, coming from an Irish Judge and slipping Irish Paddy out the back door to general freedom on a promise of bond issue to pay if he slips out the Country, and has his sister-in-law foot the bill.

Oh, Justice, Where Art Thou! The Country goes mad over a Hart murder on the Pacific Coast, the Country rises in mass indignation at the cavortings of an Indiana desperado who slew an officer, yet the Country sits in cowardly complacency at the way ROME runs and ruins the Nation, defeats our laws of Justice, laughs at our weakness and makes monkeys of us all in the name of ROMAN LAW AND ORDER!

Listen to the Hypocrite Mayor Kelly, the tool of ROME, an Irishman again and a dispenser of booze, along with our revered President of inebriate iniquity at Washington, D. C.

Mayor Kelly, who came fresh from his fight in behalf of the saloon at Springfield and now is waging a bitter legislative fight to keep the saloon tavern, announced his concurrence with Allman in the revocation of the license by saying: "We have to clean up the saloon situation and we cannot play any favorites. When liquor came back, I made the statement that people would not be permitted to go wild (Rome's old argument). It is up to the administration to see that this does not happen."

Those who heard him, of course, did not take his statement very seriously. "Important figures in Chicago politics were in the saloon at the time of the brawl. They had come from the Plaza Theatre, where the 43rd Ward Democratic organization had held its Christmas party (in the name of Jesus Christ, of course) to raise funds for the poor of the district."

"Alderman Bauler is Democratic Committeeman for the ward and had been in charge of the affair. Mayor Kelly himself attended the party, but did not go to the saloon."

So the Jewish Examiner gives out, but we surmise that a lie was told by the Herald Examiner reporter, for Mayor Kelly was in the saloon with the drunken Democratic revelers and knows all about the shooting affair.

Primitive Chicago

Oh, the bees and the ants and the Wild Men of Australia could give us a lesson in virtue and sobriety. Send for a cannon long enough to reach the White House; tie President Booze Prosperity Roosevelt and all the Roman American Cardinals on the end, and let us touch off the whole affair and blow them to ROME, where the POPE sits in pious solemnity plotting the downfall and destruction of this AMERICAN REPUBLIC through his pliant tools and henchmen who inaugurated this NEW DEAL to Sink the Nation.

DEAR MR. RICHEIMER:

Duluth, Minn.

Your letter at hand wherein you give me some of the past history of *DIVINE LIFE* and its fight against the Jesuits. Thank you. I have always wanted to know more of the details of the struggle between the true and the false Theosophists of a few years ago. I was well content with *DIVINE LIFE* and its outlook and efforts from the first, so did not dig around much to find out how the movement had its origin.

I remember some years ago, when I lived in Seattle, Washington, when there were two Camps, as it were, in the Theosophical Society. I now understand what all the dissension was about. I did not know very well who was who at the time, but instinctively revolted against the words, the actions, the theories and teachings of certain of the Theosophists who prated about Mastership, gave expensive vegetarian dinners, parties and balls, and organized the Liberal Catholic Church. I heard some Theosophists, who seemed fine characters, say that we must try our hardest to get the Jesuits out. I am sure that these expensive dinners and parties given in honor of Jinarajadasa, etc., were paid for by the Catholics, as the persons giving these entertainments were in very moderate circumstances, and had very little income. I had a sister Martha, who had joined the Theosophical Society at St. Paul about 1922, just when the trouble was at its worst there, and she did not know what it was all about, because the members on the Besant Catholic side tried to get her over to their side, professing great affection and interest in her. She was very unhappy on account of this, as she instinctively inclined to the righteous side, and so I also did, though seldom going to any meetings, as they nauseated me—when the quarreling broke loose. I think the efforts of those who worried my older sister so much and tried

to get her to all their entertainments, lectures, and doings were prompted by the fact that my sister was very beautiful and attractive of face and figure, had a magnetic personality, dressed in fine taste, could sing and converse, was tactful, and could handle any type of person in a social gathering; my sister was really a drawing card and a sort of attraction which they wanted to use for their own ends—as I see it—and therefore they were always after her. However, she understood the situation clearly in a short while and went over to the side that was fighting the Jesuits. Shortly after that she and I returned to Duluth, and never had anything to do with the few Theosophists here, who were controlled by the St. Paul branch of Besant followers. Then my sister passed on in 1925, and I never was interested in any Theosophical writings until I ran across your *DIVINE LIFE*, and that was absolutely right—I could not question it. I think my sister mentioned your name once, but am not sure; she may have read some of your writings.

I cannot see the impropriety or unfitness of combativeness, of fighting and battling in a spiritual magazine like *DIVINE LIFE*. Spirit wars against evil in all its forms, using all necessary weapons from every point of attack. Both yourself and Mrs. Celestia Root Lang have fought a terrific, a glorious, a winning fight against countless forms of the one evil, which has, I am sure, attracted many righteous, right-minded and truth-loving people to your magazine. And now you have won a Great Victory, and there must be Victory after Victory after this. It is satisfying that the Theosophists have their eyes opened at last.

I understand that one cannot be stagnant while in the body, for if one does not go forward, one will go backward, and the law in Progress. One cannot be still until Imperfection is left behind, and one is one's own Perfect

Self. Discontent, unhappiness, sickness are all powers that are nagging us onward toward a perfect and consequently happy condition. Only an animal-like creature could be long contented in this Brutal World. Discontent is, after all, Divine, because it urges ever onward.

I cannot help but think how well my sister would have liked DIVINE LIFE, and how she would have liked to write you about her impressions and ideas—for she was highly intuitive, naturally clairvoyant, and had a talent for poetic expression.

It is a striking example of Retributive Justice the way Mrs. Besant and Mr. Leadbeater had to show their true colors at last. Mr. Leadbeater went home to Catholicism; and Mrs. Besant went away from the scene of earthly activities thoroughly humiliated. How sane people could hope to put across such a silly piece of humbug in this day and age is beyond me. Unless they thought the hurt to Mrs. Lang would be so great that they would not mind the hurt to themselves. It is not at all surprising that the Jesuits used occult practices to hinder, to hurt, to kill Mrs. Lang. They wanted her out of the way, and directed thought-force and will-power against her until she was weakened, thrown from her chair, permanently crippled, and a stroke ended her eventful career. They committed murder! They committed what the Christian Scientists call mental malpractice, what we simply would call witchcraft, or Black Art. And Retribution, or Karma, will not forget to exact the uttermost penalty for this worst of all crimes, which is so hard to corner and detect. If Mrs. Lang had thought of this, possibly she could have fought them back, and thrown the occult evil back to its nest, and so may have been in the body now and still working along the same lines. However, it is much more easily said than done.

The Jesuits have crept into the K. K. K. also and injured them. The K. K. K.'s did not surround themselves with enough secrecy, so Catholicism did its work. The K. K. K.'s are rather too exclusive, causing Catholics to convert Negroes to their cause and joining the hands of Jews and Catholics. That's the mischief.

Yours for DIVINE LIFE.

DEAR MR. RICHEIMER:

Detroit.

I went down Sunday night to hear Judge Rutherford. He whipped the priests and preachers hard, showed them they could not put him off the air or stop God's work, but the thing to me is this, they are the only ones that have the Truth and everyone must come to them. I told them I had some pamphlets I would like to give them, but they never read anything, only what comes from the bible house (like Christian Scientists); how narrow, as though no one else could have anything spiritual; furthermore, they are creedal and hide-bound as Roman Catholics; they never do anything for anyone unless you come their way. I told them they were controlled by the Roman powers that are unseen by them; no wonder all the ones that came into it when Pastor Russell was alive have left; the better class are not there, and the class they do have are not the brightest people in the world; the idea of feeling that every knee shall bow to them and they will be the controlling ones. Well, they are deluded by their own false doctrines worse now than they were years ago. Judge Rutherford owns them body and soul; he had to go to Europe last summer, they closed the bible house in Germany and won't open it, they told him his followers must learn to salute the flag and sing their National hymns, he said they would not, so they locked the place up; it is either Nazi rule or get out. He found out they

could not do there like they did here; when the war was on, they wouldn't go and the flag they will not salute; you see, they are not well versed on the New Government nor what it means, still looking for Jesus to come and save them; also one woman told me Roosevelt would be President for eight years. God help us all, I replied, do you know the C.W.A. men do not draw their pay and that some can't get work, no matter how hard they try, and some starving? She said, you all have a little yet, and when we have less then the battle begins in Europe, and I replied the REVOLUTION RIGHT HERE THIS YEAR, so the People can live in peace and have food. The Bible students worked for booze as hard as anyone of the lower-minded ones. I am glad I stepped out long ago and learned the Truth.

DEAR MR. RICHEIMER:

Detroit.

Am enclosing clipping of Anna Besant's death. I noticed in another paper Leadbeater came from Athens, Greece, to be at the burial; he is head of a Russian Catholic Church, the paper said, and could not leave the Mother Church. Too bad about these Heads who can't leave a form; why can't the World have right Leaders? Also Mrs. Besant stated she would come back right away in a Hindu body to help free India (I hope not). What will the followers do now, who depended on her for everything? The theosophists here putting on a play called TRUTH; it will be Sunday night, but they have failed, the old members gone and the new ones don't know much. I never go down to their meetings. They worked against our public schools and did other things I did not like, so I let them alone. You know, I can't see how people can shout

about Brotherly Love and do those tricks, can you? All so smooth under cover until one gets into it with their long faces and priestly robes, also looking for some other Christ to come and do their work.

And they are so narrow. The President of the society, a born Englishman, over here to keep it under Europe's rule and runs to a book to find out everything Besant and H. P. B. said. I said to some of them once, do you ever think outside books or other people? You see, they still think America never produced any great thinkers. I laughed, told them they all better go to school, but they spend hours sitting at the feet of some black-skinned Hindu, who is a pure fake, telling them how they can reach spiritual oneness by going through different antics and never working. I will do the work; works and faith go together. They will have to learn that all that comes through the priestcraft, and to me Mrs. Besant was priestly and run them body and soul.

DEAR MR. RICHEIMER:

Enclosing clipping of C.W.A. in Detroit, all over the Country the People will have to go back on the Welfare, and some that have never been on the Welfare; the Country getting worse and worse every day and the People will not stand for it much longer, as they are starved out of things.

I am enclosing add of Besant Theosophical class, everything comes from England or Europe with them, they have Catholic Church services in the morning and so-called Theosophy at the night, all a farce to me, but the creedal people like it.

Did you see the papers where the People of Canada talked to Mrs. Roosevelt about her Brain Trust husband; she said he was smarter than other men because he couldn't walk around and had plenty of time to think. I said, yes, think for devilishness with Roman Rule and keep the People starved out; he gets worse every day he stays in the White House; the Railsplitter came, and if he don't pepper him and the Fellowship Forum, telling of all his drunkenness and wine parties in our beloved White House, making a saloon of it, and his silly smile, and then you hear People say, our lovely Franklin, who stoops to anything with his insane mind and Brain Trust, what a disgrace to a Nation; the sooner he is out the better the whole Country will be. We had forty-nine people killed in Detroit since January first; Booze and Rome at the bottom of it and how the People are dying off. I think the United States Government will have to give us the rest of our money from the closed banks, the People are demanding it from them, I hope we get it; a shame to give it to the Roman Churches and they build everything, and old priest Coughlin (Father Coughlin) telling what he is going to do for the working man and robs the People, building churches of brick and stone, filling them with images; he is the biggest thief outside of prison and hides behind the Gods he worships, but the People drink it in and a few laud him, hero worshippers that don't know anything with their beer cock minds and whiskey stomachs, so disgusting to me.

Yours for Divine Life,

MEDA CARDINELL.

EDWARD DOHENY'S GIFT TO HUMANITY!

EDWARD DOHENY, it will be remembered, is the gentleman who bribed Albert B. Fall, a Government Official under Herbert Hoover's administration, in The Teapot Dome scandal to gain control of the Naval Oil Reserves of Uncle Sam. As a result, Mr. Doheny made millions of illegal profit from tapping same, coming out of the pockets of the average American citizen and taxpayer. The bribed Mr. Fall served a brief prison sentence, while the briber, E. L. Doheny, went scot free; this is the last the public ever heard of either man so far as the vanished millions of the U. S. A. are concerned.

The writer made a recent visit to Los Angeles, California, where the estimable Edward Doheny resides in possession of vast stores of stolen U. S. gold. He has erected a beautiful mansion on a private drive out in Los Angeles with white marble lions at the front door, gorgeous tropical palms profusely scattered over the front of the estate, and conservatory of all glass and steel that would put a millionaire's to shame, and a crew of men working night and day to make his new home a veritable dreamland of beauty, a paradise brought down to earth.

But it seems the haunting spectre of ill-gotten loot won't let Mr. Doheny sleep o' nights. It seems this oil gold lies heavy on his stomach. He must now figure on the hereafter, for when he passes out of the body an accounting must be immediately made, a balance sheet rendered to the King on High! How is he to bribe the Almighty? That's the question.

Ah, he has it. His resourcefulness is ever 100%. Erect a beautiful Roman Catholic Church on the end of his vast estate and give it outright to the Priests. Fill it with golden altars, pictures of gold, a Virgin Mary of pure

gold, with incense burners, idols, relics of old set in precious stones, all the gift from Mr. E. L. Doheny, or, might I say, the good, generous, timid American people. But even this does not satisfy E. L. Doheny's fear and concern about entering the Kingdom of Heaven some other way, for he is now distributing thousands of dollars to the Methodist Church to help appease the anger of the Gods, for they, too, are hungry for the People's money, whether it is oiled or not.

Everyone who passes the show-place of Los Angeles smiles at the beautiful Catholic edifice, the ornate mansion with its beautiful flower beds, palms and palatial conservatory. Nearly everyone remarks, "Well, He's not as happy as he would lead us to believe." Oil is a dangerous thing. It can start a blaze in Heaven as well as in Hell, and when the times arrives all the Hail Marys, counted beads, beatifications and benedictions of the Priests will not avail Edward a bit when the briber is brought before the impartial Tribunal on High. Even the bribe takers, including these Religious gift-gatherers, may feel the sting of oil on their hands, the immunity granters who played Uncle Sam for millions to save the Soul of Edward Doheny, but I trow oil will burn through and consume Doheny, the Priests Preachers, the Golden Mother, and even the extreme unction of Holy Mother Church. Oil will consume them all in the Hell's Fires prepared for those who tapped the People's Oil Reserves for their own Salvation.
